

The Christian Soldier

1. One of the things that makes a good soldier is that he obeys his captain. The life of the soldier is the life of discipline.
2. Another mark of a good soldier is that he loves the cause for which he fights.
3. On the Union Jack there are three crosses. They are: the St George's cross in red; the St Andrew's cross in white, and the St Patrick's cross—also in red.

Can you draw the Union Jack?

The Christian soldier loves his country, but he loves best of all, the cause of Calvary.

4. A good soldier understands his weapons and equipment....and keeps them in good condition. The Christian soldier has equipment, or armour.... described in Eph 6 v 11-18.
5. A good soldier can endure difficulties and hardships bravely.
6. A good soldier gives loyal service.
